

TERMINATE CHILD SUPPORT

MARRIED BUT SEPARATED

If obligee is getting assistance such as medical or food stamps, child support can not be terminated in any case.

* In cases where services are received CSEA should be notified of father/mother living together and assistance is verified through CSEA.

They should be terminated through CSU in all other situations. Rhonda will file a Motion/Entry showing child support being terminated.

NON-MARRIED COUPLES RESIDING TOGETHER WANTING COURT ORDERED CHILD SUPPORT STOPPED

Verify through CSEA if any services are being given to Obligee.

*If receiving services child support cannot be stopped.

Court Judgment Entry needs filed if guidelines are met. No need for a hearing, unless there is a discrepancy with the story(s).
